# MEET YOUR *hosts*

Hello there! We're Michael and Sarah, outdoor enthusiasts and small town hosts ready to welcome you into our cozy Pocono Mountain home.

I'm Michael, a born adventurer and former world traveler from Australia who settled down in the Pennsylvania countryside. My lovely wife Sarah is a free spirit who moved from sunny California seeking a simpler life.

We met years ago in New York City but quickly realized the hustle and bustle wasn't for us. Now we enjoy waking up to bird songs instead of honking horns, stargazing on clear nights, and breathing fresh mountain air.

When we're not caring for our charming log cabin, you can find us hiking to waterfalls, kayaking the Delaware river, or simply relaxing by a campfire under the stars. We know all the best kept local secrets like where to pick your own apples and find the creamiest ice cream.

*Enjoy your stay*

# ABOUT THE *house*

Welcome to our Log Cabin, nestled on 2 private acres overlooking a valley and creek. We are located just 4 minutes from shopping, grocery stores and a short drive to Camelback, Kalahari and Great Wolf Lodge.

The Lodge is a custom built log cabin with a rustic minimalist feel and all the modern conveniences you are accustomed to in a vacation rental.

Entering the Lodge you are met with the slightest woody aroma which the cabin naturally emits and as you make your way to the main living area you are greeted by cathedral like ceilings with walls clad in wood from top to bottom.

The Lodge boasts 3 bedrooms, a loft with 2 queen sized beds, 2 full bathrooms, kitchen, and a dining room off the main living area.

On the main level there are 2 bedrooms located off the kitchen hallway. Each bedroom has a queen size bed, full size closet, a desk in the 2nd bedroom and pack-n-play and a highchair in the closet should you have a little one joining you. Off the bedrooms, the main bathroom has a claw foot tub. The open kitchen feeds into the primary living room with a gas fireplace making it a great place to entertain. The dining room is just off the main living room and has large windows to let in the early morning sun. You can catch wildlife roaming around.

Located on the 2nd floor is our largest bedroom with a king sized bed and access to the 2nd full bathroom, plus a loft with 2 queen size beds and a chair off to the side for some light reading.

The land is the most impressive part! The house adjoins the old Stricklands Wissasset Golf course which is no longer in use and provides for extensive space to cross country ski in the winter and hiking in the summer. The balcony looks over Swiftwater Creek.

The Lodge is perfect for families or a couples/group getaway, it truly is a place to gather and spend time with those you care about. Snuggle up to watch a movie on the pull-down screen, congregate around the fire pit, or break out the board games for a night of fun. With the full kitchen and weber grill on the back porch, you can stay in and cook or if you choose you can venture out to the many dining choices the Poconos have to offer.

The house adjoins the old Stricklands Wissasset Golf course which is no longer in use and provides for extensive space to cross country ski in the winter and hiking in the summer. The balcony looks over Swiftwater Creek.

# BEFORE YOU GO

*Please*

Place dirty dishes in the dishwasher and please turn it on (detergent is below the kitchen sink)

---

Please leave the beds as-is, no need to strip the linens. For used towels, it's a tremendous help to our cleaning team if you wash one load of towels and leave it spinning in the dryer when you leave

---

Ensure all windows and doors are closed and locked.

---

If you've used the grill, please make sure it is clean, the cover is closed and all grill utensils are inside the house.

---

Please DO NOT leave trash bags full of food anywhere outside as this can bring the bears. Please keep bags of trash inside the garage in the bin.

*Thank you!*

"I had an absolutely wonderful stay at their Airbnb! The place was clean, comfortable, and beautifully decorated. Their hospitality and attention to detail truly made me feel at home. I appreciate their helpful suggestions for local restaurants and stores around the area. I would highly recommend their Airbnb to anyone looking for a peaceful and relaxing experience. Thank you for making my trip memorable! They have all the amenities that you wouldn't expect to have here in their home which I love !

Also to mention your games pool table/ping-pong were pretty cool ! Added a touch to our trip. The views are magnificent specially in the night out in the hot tub, definitely a moment to capture. We will be returning again soon .

Thank you Sarah & Mike"
